4 new marinades the right one for every requirement

M4325 AROMETTE® Chili Orange convinces through its high nativeness. This viscous oil-marinade provides full taste without adjunction of additivtes and allergens.

M4320 AROMETTE® Finesse is extreme spicy with glutamate for a meaty taste explosion. The spices are also emedded in viscous oil.

M4471 MARINETTE® Red Onion delivers the right sauce-base for pan dishes. This ensures the creamy oil marinade with native vegetable components.

M4274 AROMETTE® Garlic - Herbs has got a freshening effect an the juice retention is already integrated. In this oil marinade you will get the full taste without the addition of glutamate.
